Harder to estimate, try to be as accurate as possible.  
Most programs can provide costs from past students.  
**DO NOT** submit a “tentative” budget, should be your final documented costs.

We will not process your aid without this proposal.

Determination of Aid

- **REMEMBER** your Family Contribution remains the same
- We use your Study Away budget to determine your aid
- Financial Aid = Study Away budget minus Family Contribution
  - If your Study away budget is more than the Williams budget, we will use the Williams budget when determining grant
  - Loans can offset higher costs
- **Self Help: Campus Job and Loan**
  - Campus job component is replaced by a loan since you won’t be on campus
- **Grant Aid**
  - Covers your remaining need after your self help
